

Ringwood Secondary College

Year 9 Laptop Program 2017 School Use – Day User Program

The Ringwood Secondary College Laptop Program allows a student to rent his or her own Apple MacBook laptop computer directly through Ringwood Secondary College. Apple will ship the laptops to Ringwood Secondary College. The IT Services Group will pre-install applications, classroom monitoring and prepare the machines for use on our network. Laptops will be distributed to students during the second week of Term 1, 2017. Students will be expected to have their laptop in class once they have been distributed.

In this program, students will be expected to pick up their laptop from the IT Services Help Desk between 8:30am and 8:50am and return it to the IT Services Help Desk at the end of the school day.

All laptop users will be required to participate in a training session designed for both students and parents. The training sessions will be held during the evenings in the second week of Term 1, 2017 as shown in the "Year 9 Laptop Distribution 2017" letter.

The cost of this program package is \$555.00.
