

## Student Dress Code 2016

A condition of enrolment at Ringwood Secondary College is that the correct uniform be worn by all students to and from the College. This applies where there are excursions unless permission for free dress has been given. Students not in full uniform should bring a note signed by the parent/guardian and obtain a 'short term' Uniform Pass from their Community Coordinator prior to the start of the school day. Failure to do so may result in a Detention.

## Out of Uniform Days

The College runs several 'out of uniform' days over the school year as part of our Community Service Program to raise funds for college resources or charities. Students in Years 7-10 also have the opportunity to come out of uniform on their designated 'Duty' days during the year. Dress on these days should be smart casual and appropriate to the College context (singlet tops, tops with bare midriffs and very short shorts are not acceptable). As they present a real occupational, health and safety risk, particularly in Science and Technology classes, thongs, or other open/ill-fitting footwear are not permitted at any time. Please note that students are still required to bring appropriate clothing for PE classes on these days.

## Notes

- Mixing the summer and winter uniform with the PE/Sport uniform is not permitted.
- All items of clothing (including shoes) need to be labelled to ensure lost items can be returned.
- If you are unsure if an item is within the policy, please contact the College for confirmation.
